

VISION

Leading Center of Excellence and Wellness in the Philippines providing holistic quality and safe patient care.

MISSION

To provide world class care
To undertake training and research programs to continually improve quality and safe patient care.
To provide relevant corporate social responsibility programs.

SOCIAL VISION

We are a health institution providing holistic care that exceeds industry standards and that anticipates and responds to the needs of the patients, their families and relevant communities.

Driven by our determination to make healthcare accessible to the marginalized and the underserved, we consider it our ardent commitment to provide service that is guided by ethical standards and improve the healthcare delivery system with pronounced social impact. These establish Manila Doctors as a vital partner of the Department of Health, local government units and other like-minded institutions in empowering the communities and the public we serve to sustain health and wellness.

We are engaged in heightening the consciousness and the participation of the public in targeted health and environment issues in the global community.

QUALITY POLICY

We at Manila Doctors Hospital commit ourselves to meet our stakeholder's expectations by providing

Excellent performance in all services and authorized functions
Effective and efficient health services, training and research
Patient-centered personnel and
Continual improvement of services so as to achieve excellence in quality and safe patient care.
